PROFILE

Enthusiastic and challenge-driven Computer Science Student at Zetech University specializing in full-stack web development. Skilled in HTML5, CSS3, Python & Django, JavaScript and React.JS. Eager to join an innovative organization to help develop internal and external websites. Developed 3+ websites for individuals including my portfolio. I'm currently a junior Full Stack Developer who is seeking for an opportunity to work with a team of Developers to gain more experience in the world of tech.
